Bridge Inspection on Torrence Avenue over Interstate 80/94

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Torrence Avenue (Illinois 83) over eastbound Interstate 80/94, in Lansing, for a bridge inspection, weather permitting, Saturday, August 20.

Beginning at 4 a.m. on Saturday, various lane closures will take place on the structure that carries Torrence Avenue over Interstate 80/94, about one mile east of Illinois 394. At least two lanes will remain open at all times. The bridge inspection is expected to be complete by 10 a.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
